Trident is the highest honorary organization for young men on campus. Its membership is made up of men of high intellect who are held in high esteem by their fellow students. Those selected are endorsed by the faculty as to character, ability, and potentiality for future service before they are tapped officially. Right: Gene Roberts, Frank Galloway.

Omicron Delta Kappa is a national honorary leadership organization with membership limited to those men who have been outstanding in leadership in the fields of scholarship, journalism, athletics, speech and drama, music, and campus life. Front Row, left to right: Fred Hovater, Max Gortman . . . Second Row: Walter Barnes, Dean John A. Fincher, Bobby Money . . . Third Row: Dr. George V. Irons, Gene Roberts, Dr. Ruric Wheeler.

Hypatia is the highest honorary organization for women at Howard College. This organization was founded under the guidance of Dean Percy Pratt Burns and is now in its eighteenth year of service. Front Row, left to right: Joanna Holtam, Gayle Smitherman . . . Second Row: Joy Pitman, Anna Bordenca . . . Third Row: Linda Jones, Ann Booker and Sue Townsend.

Circle Omicron, an honorary organization for men, is open to freshmen who meet the standards set up by ODK. The members shown above are Reed Polk, Harold Holder, and Bill Hornbuckle.

Baptist Student Union

EXECUTIVE COUNCIL

Baptist Student Union claims the largest membership of any organization on campus. Membership is given to any student who becomes a member of any of the unit organizations on campus or is a member of a Baptist Church.

The BSU sponsors retreats, parties and other get-togethers throughout the year. The president this year is Max Gartman. Ben Connell serves as Director of Religious Activities and BSU Advisor.

The Executive Council is made up of the heads of each of the unit organizations plus the publicity, music, and social chairmen.

FOCUS WEEK TEAM

This is a picture of a group of the Focus Week Team that visited Howard's campus for a week of spiritual growth. This team greatly influenced our lives.

Baptist Student Union Choir has one organization of which we should be proud, the BSU Choir. Aubrey Edwards is Director.

This year there were so many applications for admission that a touring choir was selected, composed of fifty voices, and also a Mass Choir, composed of almost one hundred voices.

The beautiful presentation of Handel's "Messiah" by the Mass Choir was enjoyed by many people.

TOURING CHOIR

MASS CHOIR

The Young Women's Auxiliary has been led this year by its capable leader, Alice Glenn. It is one of the largest unit organizations of the BSU.

All girls who live in the dormitory may become members of this organization. The freshmen girls are adopted as "little sisters" by the upper class Y.W.A.'s.

Chapel is attended by each person at Howard once every week. This is a picture of a Monday morning Chapel period. The morning Tommye Caldwell was presiding. Remember?

Brotherhood is the newest organization in the BSU at Howard. With new ideas and goals in mind, this organization has many worthwhile functions on campus.

John Estes serves this year as president of the Brotherhood. The meetings are held once each month at 6:45 a.m. in the auxiliary room of the Cafeteria.

Methodist Youth Fellowship

is an organization composed of Methodist students on our campus.

Agape is an organization composed mostly of mission volunteers and people vitally interested in missions. Renny Johnson serves as president of Agape. One informative program presented by Agape this year was the "Student Night at Christmas Program."

Mission Band meets every other Thursday night in the large Library Auditorium. Bobby Money is president of this active organization. The BSU Choir sings at each meeting.

One very important function of Mission Band is the sponsoring of several mission points over the city of Birmingham.

MINISTERIAL

SUTHERN SIMS
President

ASSOCIATION

Ministerial Association is an organization composed of students who plan to enter the fields of religious education, ministry, or the ministry of music.

The president, Suthern Sims, works diligently, keeping good speakers and new ideas for the ministerial students. Throughout the year M.A. sponsors "H" Day programs which give the ministerial students an opportunity to fill the pulpits in many churches for one day. Much good experience is gained through this service.

Canterbury Club is one of the newest organized clubs on the campus; it is for all of the students on campus who are members of the Episcopal faith.

Newman Club was just reorganized on campus last year. It has grown to a membership of approximately thirty this year. The purpose of the organization is to bring together the Catholic students.

Bull Pup is the Student Directory. It lists every student's name along with their school address, telephone number, field of concentration, classification, and home town address.

Sue Morton edited the 1958 edition and was assisted by Frank Galloway, who served as Business Manager.

The staff of the 1959 *Entre Nous* wish to express our sincere appreciation to everyone who helped make this book possible. Even though there have been many problems and disappointments, all considered, we have enjoyed working on this annual. A great deal of the credit for this annual must go to Mr. Al Scroggins, our faculty adviser.

The Crimson staff spent long hours many nights to meet their deadlines. The paper again was of the highest quality. It took stands on many touchy subjects, but always in a fair manner. Business Manager Gomillion managed to keep the paper well in the black.

The Press Club was born at Howard this year. It was the brainchild of Mr. Al Scroggins. The purpose of the club was to give journalism majors and those interested in related fields an opportunity to use and develop their talents. Many interesting members of the press and journalistic world took part in the programs of the club. Harold Holder was the club's first president.

COACHING STAFF

COACH SHARMAN

Coach James Sharman came to Howard first as a student. Though he was a biology major, he found time to participate in varsity athletics, and was a pre-graduate instructor in physical education.

He received his M.A. from Peabody and returned to Howard as an associate professor of P.E. He became Director of Athletics in 1955 and also heads Howard's intramural program. During the spring he coaches the tennis team which finished the year with an astounding record of 23 wins and 2 losses.

Coach Sharman is married and he and his wife have one son and three daughters.

Coach Virgil Ledbetter is in his fourth year at Howard. He came to Howard from Ramsay High School where he coached for two years. Entering Howard in 1939, he was the only member of his class to win three varsity letters as a sophomore. He entered the Army in 1942 and played service ball with the 15th Air Force.

After the war he entered Arkansas State in 1945 and was a regular in basketball, baseball, and track, and was captain of the 1946 football team. He is the head coach of the football, basketball, and baseball teams.

Ledbetter is married and has one son.

COACH LEDBETTER

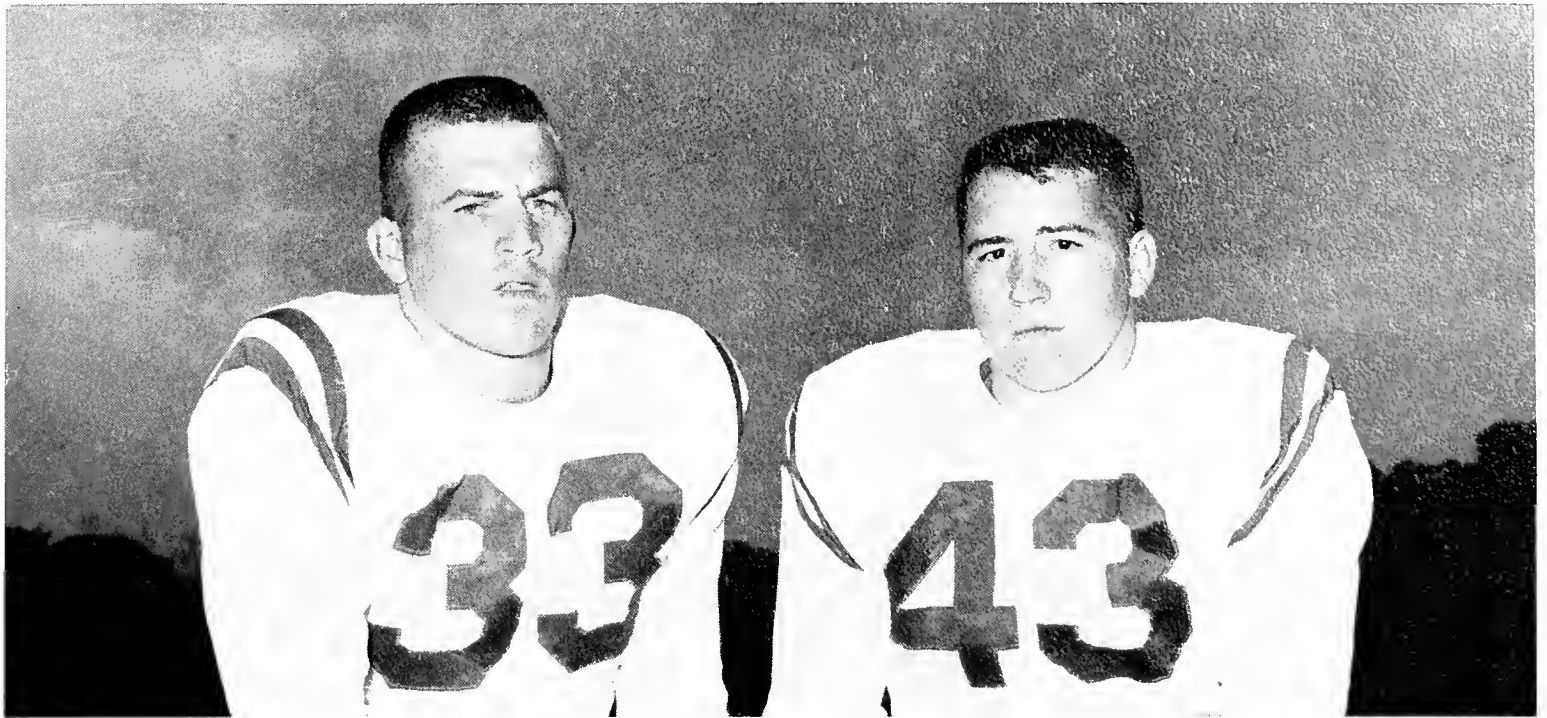

COACH BARNES

This is the second year for **Coach Walter Barnes** at Howard. He coached two years at Ensley High School while doing his undergraduate work at Howard. After receiving his A.B. degree at Howard, he joined the regular coaching staff as basketball coach at Ensley.

He received his M.A. degree from Peabody College in August, 1957, and accepted duties as physical education instructor and coach at Howard in September. His coaching duties include football line coach, "B" team basketball coach, and head track coach.

Barnes is married and has two children, both boys.

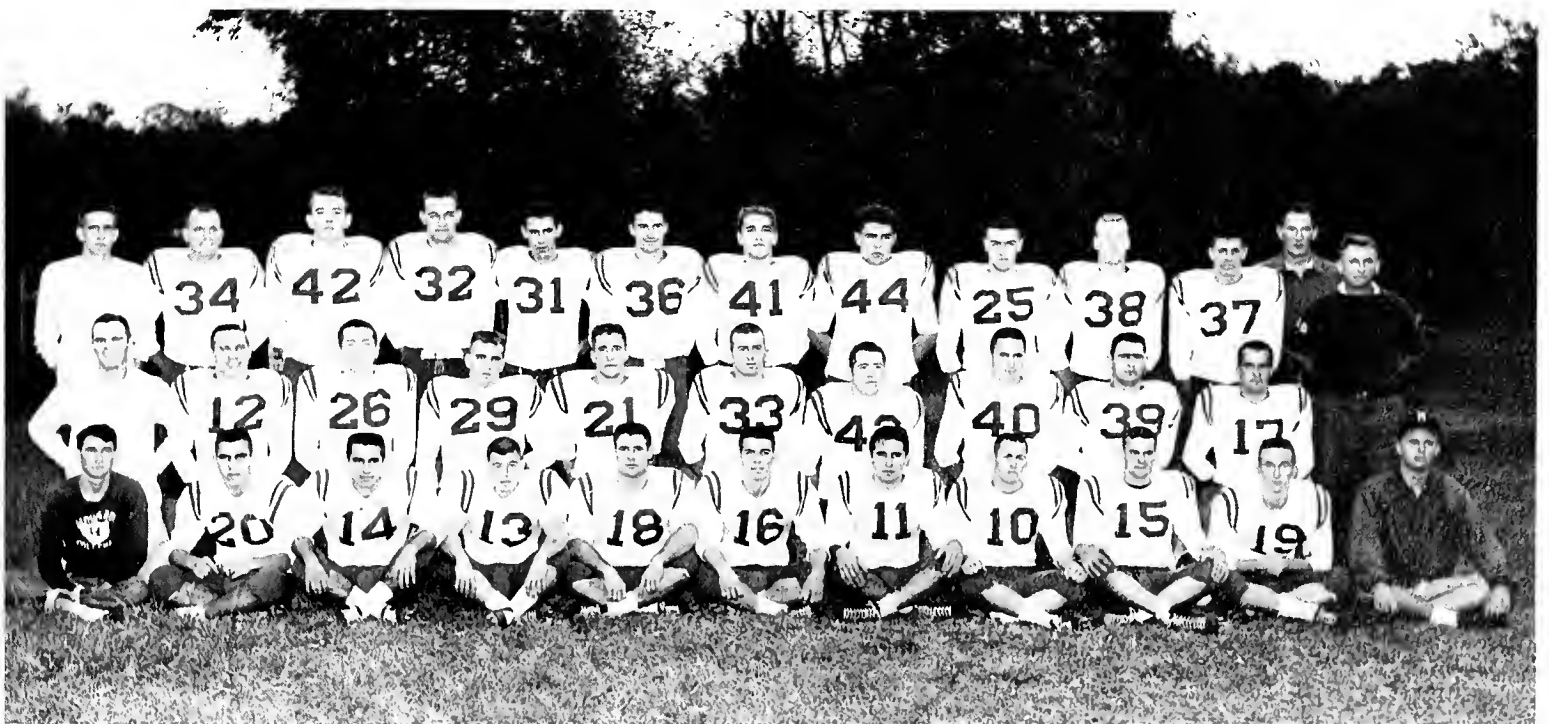

1958 Captain Gerald Tuck and Co-Captain Norman Pyle

The Howard College **Football Squad** led by Coach Virgil Ledbetter, posted a 1-6-1 record during the 1958 season. Poor as the record may sound, the Bulldogs lost four of their games by one touchdown or less.

Football seemed to be a series of bad breaks for the Bulldogs. Even though they were continually plagued by injuries and poor practice facilities, they put forth a great team effort in trouncing Mississippi College, 26-0, and tying a top ranked team from the University of Tennessee, Martin Branch, 14-14.

Outstanding defensive players for the season were Don Coleman, Bennie Starie, Norman Pyle, Brad Bishop, and Bob Harris. The offensive leaders were Joe Milazzo, Rosie Ryan, Pete Hanna, George "Booky" Raley, and James "Red" Coman. The entire squad showed tremendous playing ability and promise for the future. With only 3 players graduating, the future looks very bright for Howard. Next season the Bulldogs can boast of an experienced team and of one of the finest stadiums in the South.

Tech then drove to Howard's goal line where halfback Abe scored on an eight yard plunge. A run for the extra point made the score 22-18 in favor of Tennessee Tech. Howard drove to the Tech 10 yard line with two minutes left to play, but a fumble gave the ball to the Tennessee team, and the game ended with Howard losing, 22-18. Both teams played well and the first Cheer Bowl Game ended as a thrilling success.

Milazzo laterals to Honna as a perfect option play goes for good yardage.

BASKETBALL – 1958-1959

TEAM — Back row, left to right: Jim Sumner, Joe Campbell, Bob Barker, Hilton Green, Jimmy Trotter, Fulton Lowery. Front row: Bob Henderson, Douglas Edge, Horold Cannon, Sonny Roley, Charles Hadwell.

The 1958-59 Howard Basketball record was not disappointing at all considering the fact that the team did not have a gym in which to practice or play its home games. Since the new gym was not complete, Howard had to practice and play at local high school gymnasiums and at the gym on the old campus. They practiced late and hard and played a good brand of basketball considering their handicap.

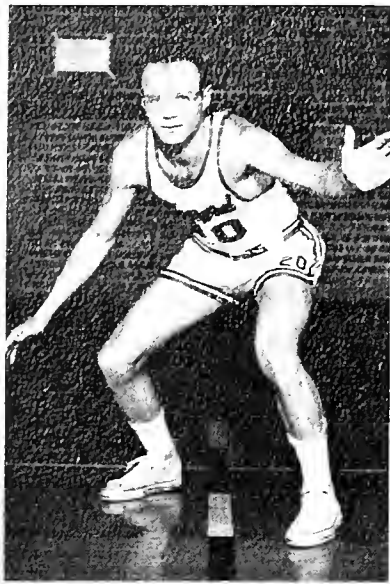

With a final record of four wins and ten losses, Howard had several outstanding players. Jim Sumner led the scoring with 223 total points. Joe Campbell and Sonny Roley were next with 182 and 176 points respectively. The team scored a total of 1,007 points.

CAPTAIN DON McDOUGAL

Once again tennis proved to be a big winner at Howard. The expert tennis team, coached by Athletic Director James Sharman, posted a record of twenty-three wins and two losses. Losing only to the University of Florida and Florida State University, Howard beat every other team on its schedule soundly. Led by Don McDougal and Carlton Cook, the number one and two players, Howard easily won the State Tennis Championship title.

Here are the boys who did the work! They won sweet victories at the hands of rivals Alabama and Auburn. They beat the University twice by the score of 9-0, and Auburn once, 5-4. Out of the twenty-three wins, thirteen teams failed to score a point against the Bulldogs. This year's 21-2 record makes Howard's 44-4 for the past two years the best in the South. Congratulations to Coach Sharman and the team for their outstanding record.

TRACK CAPTAIN - ROYCE BALLARD

Howard's Track Team, under the leadership of Coach Walter Barnes, completed the 1959 season with a "one win and six loss" record. After having lost several close meets, the Bulldogs soundly whipped Emory with a score of 85.5 to 45.5.

There were several outstanding performers on the track squad. Ronnie Denaburg was recognized as the season's most valuable performer. He scored a total of 124 points in six meets, and had the best timing in six different events. Another among the top-notch trackmen was Rick Davis, who was second in scoring with a total of 73 points. Following him were Royce Ballard with 47 points, Harold Holder with 38, Jerry Hester with 22, and Ralph Hornsby with 12 points.

Regardless of the won-loss record, Howard's track team really showed improvement and did very well. Next year the new track will have been completed and most of the top tracksters will be back.

Golf was very successful at Howard this year. Coach Lindy Martin led his team to a record of six wins and two losses. They beat Troy State and Florence State twice each and Auburn and Marion once each. Their only losses were to Marion and Auburn. This was Howard's most successful golf season in years. The team played well and consistently all year in compiling this outstanding record. Congratulations to Lindy and his boys for a job well done.

Baseball at Howard was again a tremendous success. Led by Coach Ledbetter, the team posted a record of twelve wins and two losses. Lasing only to a powerful Southeastern Conference team, Auburn, and Florence State, Howard had its best record in the history of the school. Howard, fast becoming a small college baseball powerhouse, beat Auburn 2-1 in the first game, and posted eleven other outstanding victories. Of special interest to the Howard baseball fans was the fact that the 1958 Howard baseball team led the entire nation in team hitting with a .369 team batting average. The closest college in the United States to Howard had a .349 team average. Coach Ledbetter and his teams of the past few years have brought honor and fame to Howard College. For the past four years Howard's baseball record stands at fifty-three wins and fourteen lasses. This record speaks for itself as a job well done by the Coach and the teams.

At the close of the 1959 baseball season several of Howard's outstanding players signed professional baseball contracts. Signing with the Los Angeles Dodgers were Johnny Oppert, shortstop, and Gerald Tuck, outfield. Other Howard graduates now playing in professional baseball are Howard Galloway and Joe Campbell, both pitchers. Coach Ledbetter, who is a Dodger scout, believes these boys have the potential to make the grade as professional ball players. Under the leadership of Coach Ledbetter, baseball at Howard has been of professional caliber for the past few years. With the new field completed, an outstanding coach, and a team returning which lost only four starters, the future looks bright for baseball at Howard.

Next year's Captain Bob Trucks gets back to the bag in time to foil an attempted pick-off.
